This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

tary shall be chosen by ballot at the regular Annual Meeting of the Club for the term of one year. At the Annual Meeting in April, 1896, there shall be chosen four members of the Executive Committee for the term of three years, four for the term of two years, and four for the term of one year; and at each Annual Meeting thereafter there shall be chosen four members of the Executive Committee for the term of three years. These officers shall be elected by ballot at the Annual Meeting of the Club, and shall hold office until their successors shall be chosen and accept office.

If the office of the President shall become vacant, the Executive Committee shall cause to be called a special meeting of the Club to fill the same. All other vacancies shall be filled by the Executive Committee.

III.

EXECUTIVE COMMITTEE.

The Executive Committee shall have the management and control of the Club and of its property, subject to the Constitution and to the provisions of the Indenture of Trust, dated May 18, A.D. 1871, and recorded with Suffolk Deeds.

as it shall deem necessary or proper, and shall exercise entire superintendence of the interests and affairs of the Club.

It shall make such rules as to the use of the Club House and the management thereof as it may find expedient from time to time, and as shall be consistent with the Constitution. It shall control the expenses and charges of the Club, authorize the employment of such assistants and servants as it shall deem expedient, and receive and redress complaints, provided the same be properly made to it in writing.

It shall be the Committee for the election of members of the Club.

There shall be stated meetings of the Executive Committee in the first half of each month, as the Committee from time to time may fix, except July, August, and September, and special meetings whenever summoned by the President, or by any two members of the Committee. A quorum of the Executive Committee for all purposes except for the election of members shall be eight.

Any member of the Executive Committee, other than the President, Treasurer, or Secretary, who shall be absent from the stated meetings for three consecutive months shall be held to have resigned, and his place shall be treated as vacant.

Notice of every meeting of the Executive Committee shall be given to each member thereof, personally or by mail, at least twenty-four hours before such meeting.

The President shall be exempt from the regular annual dues.

V.

DUTIES OF THE TREASURER.
